

Refer patients to our transportation fund

1. Check your patient's eligibility at panfoundation.org/transportation.

- Remember, they must be currently enrolled in a PAN co-pay or premium fund to qualify. Patients on our wait list are not eligible until they have an active PAN grant.
- If your patient is not eligible for our transportation fund, or needs more assistance, you can refer to our transportation financial resources directory or non-emergency medical transport directory.

2. Send the following email to your patient:

Subject line: Get \$500 in transportation assistance

Hello,

You may be eligible to receive financial support for your transportation expenses through the PAN Foundation transportation fund. The fund helps you pay for travel to improve your overall health.

How to apply

You or your caregiver can apply by visiting panfoundation.org/transportation.

If your application is approved, you will get a \$500 prepaid Visa debit card in the mail to use for covered expenses. Note: this grant only covers travel costs, not the purchase of goods.

Learn more

If you have questions about how the program works, you can review [transportation fund FAQs](#) on the PAN Foundation website.
