3. To sign up, complete the **Create Your Profile** form by filling in all fields. Please note, your personal information is kept confidential and will not be disclosed to other sources.

The screenshot shows a mobile application interface for 'fundfinder'. At the top, the logo 'fundfinder' is displayed in blue and pink, with a blue question mark icon to its right. Below the logo, the title 'Create Your Profile' is centered in a bold, dark blue font. The main content area contains two paragraphs of text: 'Once you create an account, you can check the status of a disease fund from any charitable foundation.' and 'When you log in to your account, you can subscribe to email notifications for specific disease funds. If you would also like to receive text message notifications, click below.' Below the text are several input fields: 'First Name' and 'Last Name' (two separate boxes), 'Email Address to Receive Notifications' (one box), 'Password' (one box), and 'Confirm Password' (one box). At the bottom of the form, there is a label 'Add text message notifications?' followed by a toggle switch and the text 'NO'. A footer note at the very bottom states 'All fields are required.'

4. By creating a profile with FundFinder, you will automatically receive email notifications on the status of disease funds you choose to follow. If you would like to add text message notifications, opt-in by selecting **YES** and inputting your phone number when prompted.

6. To finalize your profile, identify yourself by selecting the category that best describes you. If you do not identify with any of the categories listed, select **Other - please specify** to add your own entry in the field below. Please be specific.

The screenshot displays the 'Who Are You?' selection screen in the fund finder app. The screen features a list of user roles: Patient, Caregiver, Healthcare Provider, Pharmacy, Drug Company, Patient Advocacy Organization, and Other - please specify. The 'Other - please specify' option is highlighted in green. Below it is a text input field labeled 'Add other user type'. An orange arrow points to the 'Other - please specify' option. At the bottom, a note states 'All fields are required.'

7. Once you have accurately identified yourself, click **Done** to finalize your profile and create your account.

The screenshot shows the 'Who Are You?' selection screen in the fundfinder app. At the top, there is a back arrow, the fundfinder logo, and a help icon. Below the title, there is a list of roles: Patient, Caregiver, Healthcare Provider, Pharmacy, Drug Company, Patient Advocacy Organization, Other - please specify (highlighted in green), and PAN staff. At the bottom, there is a pink 'Done' button with an orange arrow pointing to it.

- When your account has been created, you will be redirected to a success page requesting that you activate your account. An activation email will be sent to your account within a few of minutes. Clicking **Home** will direct you to the FundFinder login page.

Please note, to log in you must first activate your account by checking your email.

- To activate your account, check your email inbox for an activation email from fundfinder@panfoundation.org with the subject "PAN Foundation: Activate Your Profile." Please check your spam folders if you cannot locate the email.

10. Once you have opened the activation email, click the hyperlink to complete your account registration.

Hello Harnet,

Thank you for creating an account on FundFinder. To validate your email address and complete your registration, [please click here](#)

If you did not create an account, please let us know by emailing fundfinder@panfoundation.org

Thank You,
PAN Foundation

The Patient Access Network (PAN) Foundation is dedicated to helping federally and commercially insured people living with life-threatening, chronic and rare diseases with the out-of-pocket costs for their prescribed medications.

The FundFinder app helps underinsured and economically vulnerable patients quickly find financial assistance from charitable foundations.

11. When your account is verified, you will be redirected to the login page. To log in, enter the email and password you used to create your profile.

12. After logging in, you will be able to follow disease states and receive notifications when funding becomes available. For detailed instructions on how to follow a fund, refer to our step-by-step instructions on the [FundFinder FAQs webpage](#).
